

TAIWAN-LANTERN

Datasheet

Taroko Gorge, Oval shape / PP010

Large pendant

#### **Plant dyed pattern**

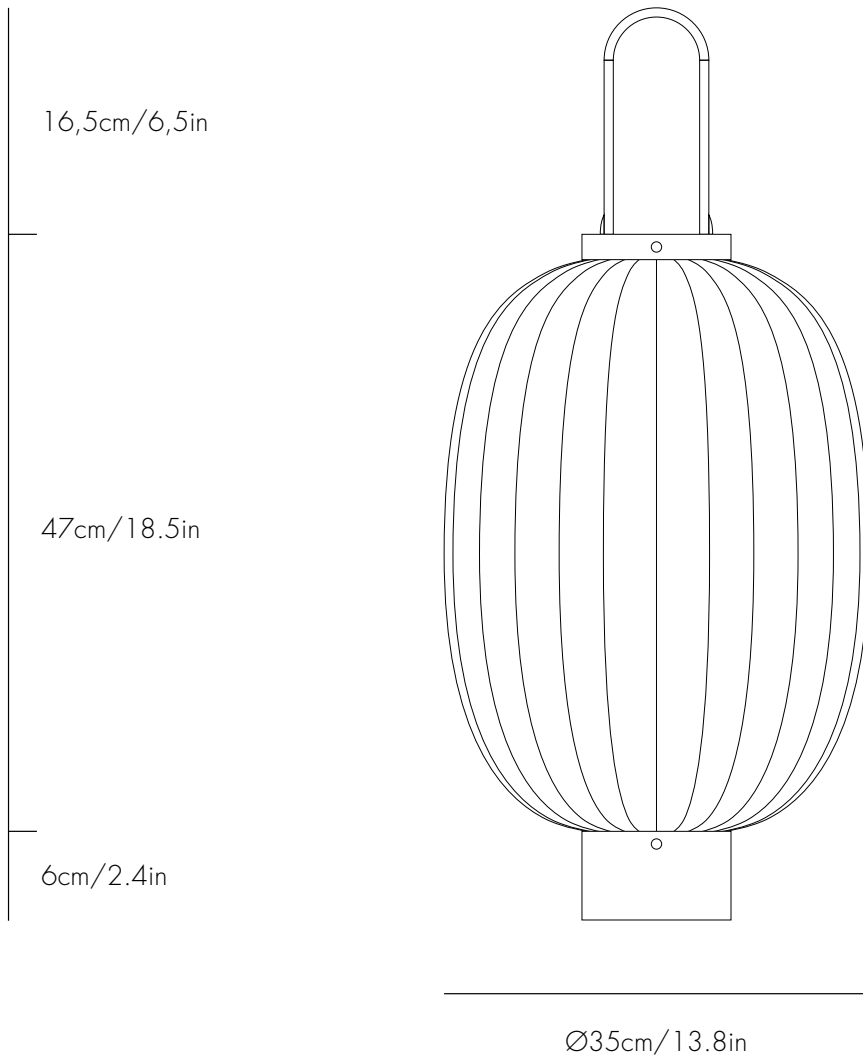

The breathtaking Taroko Gorge with its giant marble boulders inspired the pattern of this lantern. The artisan crumpled and tied the fabric before indigo dyeing. Each handmade pattern is organic and unique.

#### **Bamboo with walnut frames**

We believe our bamboo frames give the lantern a heart and soul. Makino bamboo is used for these frames. Grown in the mountainous region of Taiwan, this pliable bamboo is highly durable. Where possible we always use natural and locally sourced materials

#### **Labor of love**

It takes 6 different craftsmen and a total of 68 hours to manufacture this lantern.
