Datasheet

Sun Moon Lake, Bucket shape / PP02B

Large pendant

Plant dyed pattern

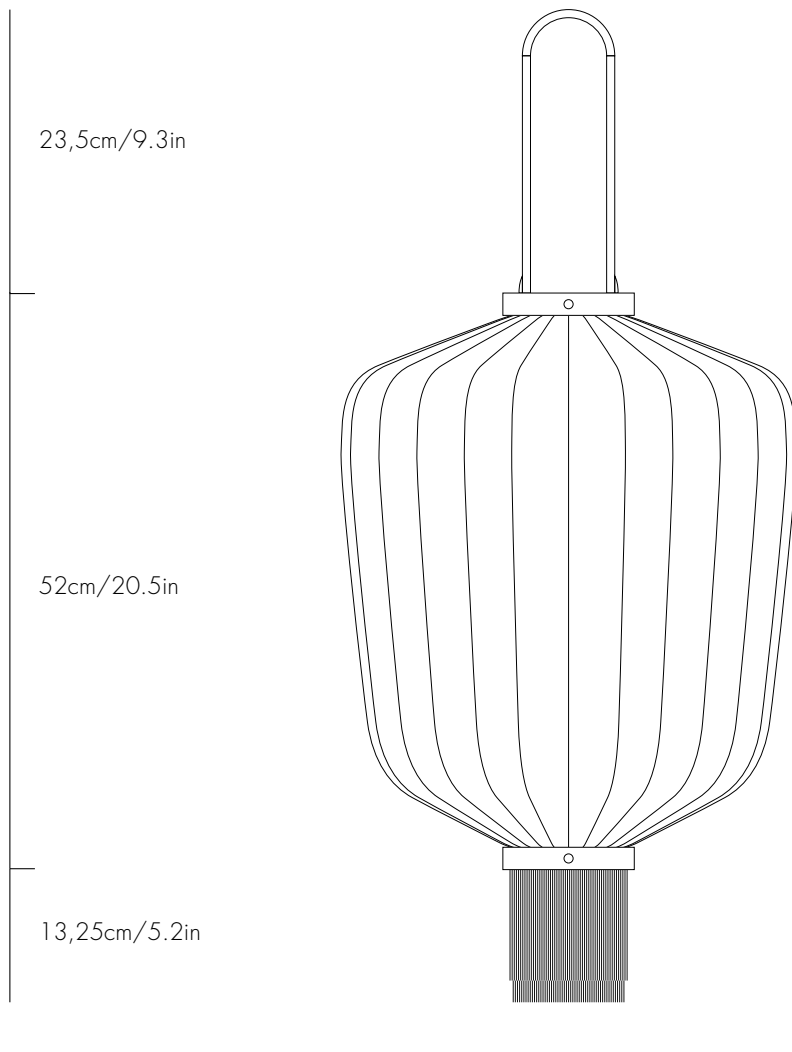

Inspired by the fascinating Sun Moon Lake, this pattern reflects the lake's ripples and brings you serenity and calm. The artisan wrapped the fabric around a pipe, and compressed it to make beautiful pleats. Each pattern is made by hand, organic and unique.

Bamboo with walnut frames

We believe our bamboo frames give the lantern a heart and soul. Makino bamboo is used for these frames. Grown in the mountainous region of Taiwan, this pliable bamboo is highly durable. Where possible we always use natural and locally sourced materials
