

TAIWAN-LANTERN

Datasheet

Indigo, Mandarin shape / PU01M

Large pendant

#### **Plant dyed pattern**

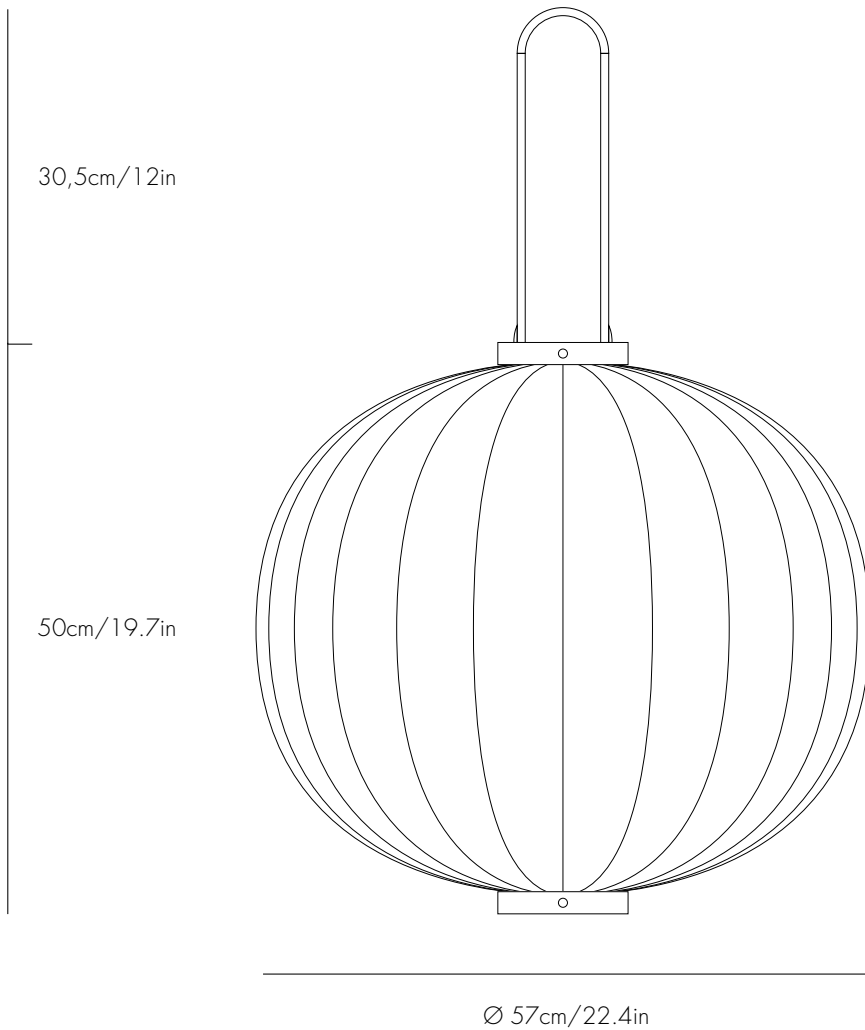

The artisan grows and harvests her own fresh indigofera Tinctoria plants. To create the dense and rich blue color, she dips natural cotton 20 times into a natural dye created from these plants. The plant dyed lantern brings the colors of nature into your daily life.

#### **Bamboo with walnut frames**

We believe our bamboo frames give the lantern a heart and soul. Makino bamboo is used for these frames. Grown in the mountainous region of Taiwan, this pliable bamboo is highly durable. Where possible we always use natural and locally sourced materials

#### **Dedication**

Five artisans spent 70 hours working on this lantern, which is made from 95% natural materials.

#### Reference

PU01M

#### Dimensions

Shade diameter: 57cm/22.4in

Shade height: 50cm/19.7in

Total height: 80,5cm/31.7in
